Retrieving Titles and Subtitles – Summary of Results

- Pulled titles and subtitles for Sixun's and Jason's calls without gvkey matches (to the extent that they are available)
- Codes were used for the established pipeline, and the final merging was done manually in Excel
- Sorted entries by reportID, and keyword matches for 'interest rate' were placed at the bottom

Details

Total: 77748 entries

<u>From Sixun's set of entries:</u>

- 72542 entries (after dropping 136 duplicates that appeared in Jason's set of entries)
  - Previous version: ~3787 without titles and subtitles + 8417 entries with titles but 'Â' as the subtitle
  - Current version: 39 without titles and subtitles, 1220 with titles but without subtitles + 8417 entries with titles but 'Â' as the subtitle (Re-extraction of data did not find new subtitles for these 'Â' entries)

<u>From Jason's set of entries:</u>

- 5206 entries
  - Previous version: 152 without titles and subtitles
  - Current version: 0 without titles and subtitles
